

“Framing on Stone”

*The possibilities for this technique of framing are limited only by your imagination...Family, Wedding, Pet or other keepsake photos, etc. Stones are like snowflakes...no two are alike! We will carefully choose the stone to match your photo. This style of “Framing on Stone” adds character to your photos. Photos can be color or black and white. Photos should be 3” x 5” or larger. The original photo will be returned with your order. Digital photos can be sent via email to kos@zitomedia.net **along with all order information.** Please put *Framing on Stone* in the subject line. Please contact us for additional information or visit us on the web at www.framingonstone.com*
